**Re: Kirkland-Hudson v. Mount Vernon City School District et al.,  
21-cv-00695-KMK**

**Joint letter regarding May 17, 2022 10:30 am status conference**

Dear Judge Karas:

Plaintiff Josephine Kirkland-Hudson writes on behalf of both parties regarding the upcoming conference scheduled for May 17, 2022, at 10:30 am. Presently Plaintiff's motion to amend the complaint and Defendants' motion to stay discovery are pending before the Court. I also presently have another court matter scheduled for 9:30 am that possibly could conflict with the 10:30 am conference tomorrow.

If the Court would prefer to reschedule tomorrow's conference until it resolves the pending motions, the parties have no objection to that. Alternatively, I respectfully request that tomorrow's conference be rescheduled to a subsequent later time and/or an alternative date to avoid any potential conflict tomorrow.

Thank you very much for the Court's consideration.

Denied as untimely.

So Ordered.

Respectfully submitted,

/s/ Bryan Glass
